

## **Developing Countries Application Form**

If your institution is located in the list of countries at the end of this document you may apply for free online access to an Edward Elgar Publishing Journal.

Please complete this form with your details and the details of your institution and fax to Hilary Quinn +44 1242 262111

We recommend that your librarian completes the form to ensure we can activate access easily.

**\*IMPORTANT:** We are only able to activate institution wide online access if your institution is registered with MetaPress our online journal hosting provider. Most academic institutions in the world are already registered and there is no cost to do so. Please ensure that you have provided full details of your institution name and address as this will help us to find and activate your institution details on the Matepress platform and provide access quickly.

If you are not registered please visit <http://www.metapress.com/identities/registration/> for details of how to do this.

## GRANT OF LICENCE, USAGE RIGHTS AND LIMITATIONS ON USE

If Edward Elgar grants free "Developing Country" institutional access, by signing the application form you agree to the following conditions.

The Licensor grants the Licensee the non-exclusive and non-transferable right to allow Authorised Users of the Licensee's institution to access and use the Licensed Work(s) throughout the Subscription Period by means of one or more Secure Networks for the purposes of research, teaching, and private study.

Authorised Users may:

- Access the Server by means of a Secure Network in order to search the Licensed Work(s) and to view, retrieve, and display portions thereof;
- electronically save portions of the Licensed Work(s);
- print out single copies of portions of the Licensed Work(s) or multiple copies for teaching carried out by your Authorised users;
- provide print or electronic copies of all or any part of the Licensed Work(s) to national or international regulatory authorities for the purposes of or in anticipation of regulatory approval and/or trademark applications or other regulatory purposes in respect of the Licensee's products or services.

The Licensee and Authorised Users may not:

- remove or alter Licensor's copyright notices or other means of identification or disclaimers as they appear in the Licensed Work(s);
- systematically make printed or electronic copies of multiple portions of the Licensed Work(s) for any purpose except for teaching in their own courses;
- display or distribute any part of the Licensed Work(s) on any electronic network, including without limitation the Internet and the World Wide Web, other than a Secure Network;
- permit anyone other than Authorised Users to access or use the Licensed Work(s);
- use all or any part of the Licensed Work(s) for any Commercial Use.

**Edward Elgar Publishing reserves the right to terminate free access or to not approve applications at its discretion.**
