Endorsement Quotes

We are keen to promote your book to the best of our ability and would like to source a number of supportive endorsement quotes to help with this. Please could you supply the names (and email addresses) of three or four eminent figures in the field who we could approach in this way, ideally representing the diversity and international range of the subject and, if possible, with at least one based in the US? In return, they will receive a complimentary digital copy of the book. Please note these endorsers cannot be chapter contributors.

Submission

You can submit your manuscript files to your commissioning editor either via email or Dropbox.

Once you have shared the manuscript with us, please do not make any further changes to the Dropbox files, as once we have downloaded the files, we will not look at this again.
