Research Handbook on Maritime Law and Regulation

Research Handbooks in Private and Commercial Law series

Edited by Jason Chuah, Professor of Commercial and Maritime Law, The City Law School, City, University of London, UK and Guest Professor of Maritime Law, University of Gothenburg, Sweden

There have been important developments in commercial practice, technology, shipping infrastructure and sustainability policies in recent times. This Research Handbook examines the major themes surrounding the thinking and studies of maritime law and practice. The stellar panel of contributors take a diverse range of approaches to identify any emerging theoretical and conceptual perspectives in law on what is essentially a fast paced sector of the global economy.
