

## Global Private International Law Adjudication without Frontiers

Edited by Horatia Muir Watt, Professor of Law, SciencesPo Law School, Paris, France, Lucia Bíziková, Trainee in an international law firm, London, UK, Agatha Brandão de Oliveira, Guest Lecturer, Federal University of Espírito Santo (UFES), Brazil and member of the Brazilian Bar and Diego P. Fernández Arroyo, Professor of Law, Director of the LLM in Transnational & Dispute Settlement, SciencesPo Law School, Paris, France

Providing a unique and clearly structured tool, this book presents an authoritative collection of carefully selected global case studies. Some of these are considered global due to their internationally relevant subject matter, whilst others demonstrate the blurring of traditional legal categories in an age of accelerated cross-border movement. The study of the selected cases in their political, cultural, social and economic contexts sheds light on the contemporary transformation of law through its encounter with conflicting forms of normativity and the multiplication of potential fora.
