Higher Education in the Digital Age
Moving Academia Online

Edited by Annika Zorn, Teaching and Learning Expert, European University Institute, Italy, Jeff Haywood, Emeritus Professor, School of Education, University of Edinburgh, UK and Jean-Michel Glachant, Holder of the Loyola de Palacio Chair on EU Energy Policy and Director, Florence School of Regulation, European University Institute, Italy

The European higher education sector is moving online, but to what extent? Are the digital disruptions seen in other sectors of relevance for both academics and management in higher education? How far are we from fully seizing the opportunities that an online transition could offer? This insightful book presents a broad perspective on existing academic practices, and discusses how and where the move online has been successful, and the lessons that can be learned.
