Recognition of Foreign Bank Resolution Actions

Elgar Monographs in Private International Law

Shuai Guo, Assistant Professor, China University of Political Science and Law, Beijing, China

This timely book offers a comprehensive study of the mechanism that gives effect to foreign bank resolution actions. In particular, it focuses on how the legal framework for the recognition of foreign bank resolution actions should be structured and proposes detailed legal principles on which effective frameworks should be based.

‘This book conducts both a comprehensive and sophisticated analysis on the recognition of foreign bank resolution actions. Employing a comparative research methodology and also addressing the complicated issue from international law, financial law and insolvency law perspective, the author exhibits a superb panorama on the subject. This book offers not only a theoretical, but also a practical perspective of constructing a future framework for recognition of foreign resolution actions across the globe. It is worthwhile reading in this area.’

– Jingxia Shi, Renmin University of China
