ASEAN and the Reform of Investor-State Dispute Settlement

Global Challenges and Regional Options

Elgar International Investment Law series

N. Jansen Calamita, Head of Investment Law and Policy, Centre for International Law and Research Associate Professor (CIL), Faculty of Law, National University of Singapore and Charalampos Giannakopoulos, Research Fellow, Centre for International Law, National University of Singapore

The reform of Investor-State Dispute Settlement (ISDS) is a subject of ongoing debate in international institutions, yet an ASEAN perspective on the subject has been largely absent to date. This book addresses that gap by presenting, analysing and assessing ISDS reform from an ASEAN perspective, taking into account the experience, needs and concerns of ASEAN as a community and of its member states.
