Japan’s Economic Recovery
Commercial Policy, Monetary Policy, and Corporate Governance

Edited by the late Robert M. Stern, formerly Professor Emeritus of Economics and Public Policy, University of Michigan, Ann Arbor, US

The contributors to this book, from the US and Japan, explore the main issues involved in the international trade, foreign direct investment, and macro/financial relations of the United States and Japan and provide guidance to policy makers for measures to help overcome Japan’s economic stagnation since the early 1990s.
