The Politics of Regulation
Institutions and Regulatory Reforms for the Age of Governance
The CRC Series on Competition, Regulation and Development

Edited by Jacint Jordana, Associate Professor of Political Science, Universitat Pompeu Fabra, Barcelona, Spain and David Levi-Faur, The Hebrew University of Jerusalem, Israel

This book suggests that the scope and breadth of regulatory reforms since the mid-1980s and particularly during the 1990s, are so striking that they necessitate a reappraisal of current approaches to the study of the politics of regulation. The authors call for the adoption of different and fresh perspectives to examine this area.
