Handbook of Corporate Sustainability
Frameworks, Strategies and Tools
Research Handbooks in Business and Management series

Edited by M.A. Quaddus, Professor, Curtin Graduate School of Business, Curtin University of Technology, Australia and M.A.B. Siddique, Associate Professor in Economics, Business School, University of Western Australia

Achieving corporate sustainability (CS) is one of the most difficult challenges facing organizations in the twenty-first century. This comprehensive Handbook examines the current status and future direction of sustainability frameworks and applications in the corporate environment.
