Macroeconomics in the Small and the Large

Essays on Microfoundations, Macroeconomic Applications and Economic History in Honor of Axel Leijonhufvud

Edited by Roger E.A. Farmer, Professor of Economics, University of California, Los Angeles, US

This book honors the work of Axel Leijonhufvud. The topics range from Keynesian economics and the economics of high inflation to the micro-foundations of macroeconomics and economic history. The authors comprise some of the very best economists active today.

‘Roger Farmer is to be congratulated for editing this splendid set of essays in honour of Axel Leijonhufvud. . . I am sure that most of the readers of these essays will be excited and stimulated by their contents.’
