

Clusters and Economic Growth in Asia

Edited by Sören Eriksson, formerly Jönköping International Business School, Jönköping University, Sweden

This detailed book explores and provides insights into the development and transformation of various clusters, economies and industrial sectors in East and Southeast Asia.

'The book is thus a useful addition to the large and growing literature involving industrial agglomeration and clustering in the dynamic geographic region of East Asia, particularly in an international setting. . . the collection is of value.'
