

## The Economics of European Integration, Second Edition

2nd edition

Miroslav N. Jovanović, Dušan Sidjanski Centre of Excellence in European Studies, Global Studies Institute, University of Geneva, Geneva, Switzerland

Thoroughly revised and updated, the second edition of this highly acclaimed textbook will be required reading for graduate and undergraduate students on a wide range of courses including: European economics, economic policy, European integration, European studies and international relations. Exploring the EU at an important turning point and during uncertain and turbulent times, the text will also prove an invaluable reference tool for academics and policy makers concerned with any facet of European integration.

Acclaim for the first edition:

'The book is essential for students in European studies, international economics and business or international relations at both graduate and postgraduate level.'
