

Handbook of Healthcare Management

Research Handbooks in Business and Management series

Edited by Myron D. Fottler, Professor, Donna Malvey, Associate Professor, College of Health and Public Affairs, University of Central Florida and Donna J. Slovensky, Professor and Senior Associate Dean for Academic and Faculty Affairs, School of Health Professions, University of Alabama at Birmingham, US

The Handbook of Healthcare Management is a comprehensive examination of key management practices for global healthcare organizations, arguing that insight into and implementation of these practices is essential for success and sustainability.

'The editors have created an important resource for healthcare management practitioners and students, effectively presenting the most up-to-date knowledge on issues critical to the management of healthcare organizations by experts in their fields. This book offers keen insights into the many challenges that the healthcare industry faces, and more importantly, actions that leaders can take to meet them.'
