

## Research Handbook on Entrepreneurship and Leadership

Research Handbooks in Business and Management series

Edited by Richard T. Harrison, Professor of Entrepreneurship and Innovation, University of Edinburgh Business School and Claire M. Leitch, Professor of Entrepreneurial Leadership, Lancaster University Management School, UK

This Research Handbook argues that the study of entrepreneurs as leaders is a gap in both the leadership and the entrepreneurship literatures. With conceptual and empirical chapters from a wide range of cultures and entrepreneurship and leadership ecosystems, the Research Handbook for the first time produces a systematic overview of the entrepreneurial leadership field, providing a state of the art perspective and highlighting unanswered questions and opportunities for further research. It consolidates existing theory development, stimulates new conceptual thinking and includes path-breaking empirical explorations.
