Financial Cycles and the Real Economy
Lessons for CESEE Countries

Edited by Ewald Nowotny, former Governor, Doris Ritzberger-Grünwald, Director and Peter Backé, Deputy Head, Foreign Research Division, Österreichische Nationalbank, Austria

What is the link between the financial cycle – financial booms, followed by busts – and the real economy? What is the direction of this link and how salient is this connection? This unique book examines these fundamental questions and offers a paramount contribution to the debate surrounding the recent financial and economic crisis.
