

Research Handbook on Employee Pro-Environmental Behaviour

Research Handbooks in Business and Management series

Edited by Victoria K. Wells, Professor of Sustainable and Ethical Management, The York Management School, University of York, Diana Gregory-Smith, Reader (Associate Professor) in Marketing and Danae Manika, Professor of Marketing, Newcastle University Business School, Newcastle University, UK

This Research Handbook brings together leading academics of employee pro-environmental behaviour to highlight the key features and challenges of this growing field. The international contributors draw on studies from across the methodological spectrum, examine employee behaviour and discuss how pro-environmental behaviour can be fostered and encouraged, inspecting the impact for organisations.
