

Research Handbook of Investing in the Triple Bottom Line

Finance, Society and the Environment

Research Handbooks in Business and Management series

Edited by Sabri Boubaker, EM Normandie Business School, France, Douglas Cumming, College of Business, Florida Atlantic University, US and Duc Khuong Nguyen, IPAG Business School, France

The triple bottom line is an accounting framework with social, environmental and financial factors. This Handbook examines the nexus between these areas by scrutinising aspects of socially responsible investment, finance and sustainable development, corporate socially responsible banking firms, the stock returns of sustainable firms, green bonds and sustainable financial instruments.
