### "Superstar" Harassers and how to Stop Them

New Horizons in Leadership Studies series

James K. Beggan, Department of Sociology, University of Louisville, US

Within these pages James K. Beggan puts forward a novel approach to understanding sexual harassment by high value superstars in the workplace. The approach integrates ideas derived from evolutionary theory, utility theory, sexual scripting theory and research on the regulation of emotion. Besides providing a better understanding of the phenomenon, the book aims to contribute to the development of better techniques to prevent sexual harassment.
