

World Encyclopedia of Entrepreneurship

2nd edition

Edited by Léo-Paul Dana, Professor, Dalhousie University, Canada

This second edition of a classic reference work, written by some of the most eminent academics in the field, contains over 30 per cent more entries on entrepreneurship. Comprehensive in scope, it includes topics from business angels, to export services to family business and uncertainty and venture capital. There are also entries on individuals including George Eastman, Howard Hughes, Joseph Schumpeter and Walt Disney. Providing its readers with a unique point of reference, as well as stimulus for further research, this Encyclopedia is an indispensable tool for anyone interested in entrepreneurship, particularly students, scholars and researchers.
