The Elgar Companion to Radical Political Economy

Edited by Philip Arestis, University Director of Research, Cambridge Centre for Economic and Public Policy, Department of Land Economy, University of Cambridge and Fellow, Wolfson College, UK and Malcolm Sawyer, Emeritus Professor of Economics, University of Leeds, UK

This major reference book has been designed to provide a comprehensive coverage of radical political economy. International in scope, The Elgar Companion to Radical Political Economy includes contributions from a very wide range of specialists who discuss topics, ideas and theories in the field.

‘These valuable contributions will be very useful to students and nonspecialists wanting a clear introduction to specific topics or a convenient volume to browse to get a feel for a broader area of study. A welcome addition to any library.’
– M. Perelman, Choice

‘...an excellent short encyclopedia of radical political economies. ... Even experienced scholars could read a number of the entries to refresh themselves or to introduce themselves to new areas of inquiry. Every university and college library should have a copy.’
– William M. Dugger, Southern Economic Journal

‘Elgar’s companions are a joy to read from cover-to-cover. ... The volume is indexed and belongs in every library.’
– William M. Dugger, Journal of Economic Issues

‘...this is a worthwhile volume deserving a browse by anyone with radical pretensions.’
– Keith Cowling, The Economic Journal
